

Parent Guardian Promise

As a parent or guardian of a Scout:

I understand that the Unit is scout-led with volunteer support and that each year I will be required to volunteer in capacity as a Unit Leader, as a member of the Unit Committee, or in coordination of a scouting event. My scout's registration packet includes the Unit Family Talent Survey.

I acknowledge Scout events and activities are funded by my family's registration fees AND a combination of event fees and fundraising activities. I will encourage and support my Scout in the fundraising activities that allow the Unit to operate during the year.

I understand that I have an important role to help guide my scout through the Scout program and will support them throughout the program.

Family Signature Card

All families are required to submit a Family Signature Card, to be kept on file, acknowledging their agreement to this and all Unit Policies. Unit Committee reserves the right to periodically update policies. All Unit members will be notified of these changes through a variety of methods including email, verbal, and by posting updates to Unit website.
